

Tap into the tradie elite as a plumber

Statement of Attainment towards Certificate II in Drainage

Course code: CPC20720

If you enjoy technical activities, interpreting plans and working with your hands, the CPC20720 Certificate II in Drainage is a great introduction to the plumbing trade. With the current skills shortage of qualified tradespeople throughout Australia, there's never been a better time to get yourself a trade. You'll gain skills, knowledge, and techniques needed to carry out core plumbing competencies in a safe and efficient manner, and to the standard of quality and finish expected of the industry.

Why study?

- Develop good organisation and role diversity abilities
- Appreciate a love of working both indoors and outdoors*
- The opportunity to work on a wide variety of large-scale, complex, and innovative projects
- Mandatory work placement offering networking opportunities (35 hours)
- Geared towards growth industries
- Teaches in-demand skills that employers want
- Contributes towards your HSC*
- Gives you a head start in your career
- Allows you to try a career and/or ignite a passion

Potential career pathways

- Apprentice plumber, drainer, and gasfitter
- Apprentice roof plumber

Delivery pattern

- 2 units x 2 years (240 hours)

Please speak to your school careers adviser for more information.

Construction trade occupations are forecast to an annualised growth rate of around 2.4% in the next five years to 2025-26 creating large job opportunities with the extensive investment in general construction of community projects and the infrastructure that supports them[^]
